

## About Apolloni Vineyards

Established in 1999, Apolloni Vineyards is a family-owned vineyard, specializing in the production of premium Pinot Noir and traditional, Italian-style wines. Our certified sustainable vineyard and winery is situated in the Northern Willamette Valley, just 25 miles west of downtown Portland and in the heart of the newly established Tualatin Hills AVA. The tradition of winemaking in the Apolloni family dates back 150 years, with vineyards originally in Italy. The wines of Apolloni Vineyards represent the best of old world Italian tradition, brought to the soil of Oregon, demonstrating a quality of excellence in viticulture. Owner/Winemaker Alfredo Apolloni, his wife Laurine and their three children share in this family adventure.
